

# Summer School 2024

## June 3-28 • 8am-12:15pm

### ROLLA JUNIOR HIGH

1360 Soest Road  
Rolla, MO 65401  
573.458.0130

### TRUMAN ELEMENTARY

1001 E. 18th Street  
Rolla, MO 65401  
573.458.0180

## Kindergarten - 8th Grade Enrichment Course Offerings

### Voices, Ukles, & More, OH MY!

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teacher: Ms. Wolff

Grade: Students entering 1, 2, or 3

Students will experiment with developing their best voices, playing ukuleles, composing digital music, and then choose one to perform in a recital!

### Growing Gardens & Giggles

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teacher: Ms. Smith

Grades: Students entering 1, 2, or 3

Have you ever wanted to grow your own garden? Do you love giggling? Then this class is for you! We will explore how to grow a garden and the steps that a seed goes through as it makes our food. We will also learn about composting and the import role it plays. We will create exciting crafts with garden materials and even some yummy tasting crafts! I can't wait to garden and giggle with you!!!

### Outerspace Adventures

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teacher: Ms. Bell

Grades: Students entering 1, 2, or 3

Attention: All future astronauts welcome! Come with us on an adventure to outer space! Do you look at the sky and wonder just what could possibly be out there? Have you ever thought about all of the astronauts who have travelled to space? How about the unique planets and stars that fill our gigantic galaxy? Join our class to blast off to learn all about the mysterious and magical universe around us. We will find the answers to all of your celestial questions! Our exploration will include reading books all about space, creating projects, crafts, and more!

### Talented Tech Wizards

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teacher: Ms. Swyers

Grades: Students entering 1, 2, or 3

In this hands-on class, your child will embark on an adventure to unleash their potential as budding tech wizards. Through a series of interactive lessons and engaging activities, they will learn the foundations of coding and robotics in a fun and age-appropriate way. Your child will be guided through the wonders of logical thinking, problem-solving, and critical reasoning, all while fostering their creativity and imagination. They will discover how to brainstorm and bring their ideas to life using a variety of technology.

### The Great Outdoors

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teachers: Ms. Bahr & Ms. Carpenter

Grades: Students entering 1, 2, or 3

Do you like the outdoors? Do you like to hunt and fish? How about...team sports? If so, sign up for "The Great Outdoors" to explore the gaming and habitat practices of Missouri, as well as, participating in your favorite team sport! We will look at mammals, their furs and tracks, and what ecosystems we have in Missouri, as well as, Missouri gaming and why it is essential to our local habitat. We will make our very own animal track fossils and create a keepsake book with the many animal tracks of Missouri. We will explore the different signs that animals make and how to tie our own bait and tackle. We will also spend time playing your favorite sports, such as volleyball, kickball, dodgeball, wiffle ball, four square, wall ball, basketball and many more. We will end the course with a field trip to Bray Conservation area and Maramec Spring Trout Park (conditions permitting) where we will have a real life exploration of the many animals and habitats we learned about throughout the course.

# 2024 Kindergarten - 8th Grade Enrichment Course Offerings (continued)

## Conservation Investigation

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teachers: Ms. Hedge & Dr. Morse

Grades: Students entering 1, 2, 3, 4 or 5

Can you eat ants on a log? How many eyes does a spider have? What is a meal worm? These are some of the questions you will get answers to if you sign up for Conservation Investigation!! We will explore bugs, animals, habitats, plants, and water life through crafts, food, observation, reading/writing, and hands on activities. Some of our activities will be: leaf rubbings, fish paint t-shirts, buggy foods, animal covering puppets, life cycle of meal worms, spiders, etc., nature walks, outdoor classroom visits, story writing, animal visits to our classroom, games, and computer research.

## Once Upon a Time with the Fairy Tale Fanatics

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teacher: Ms. Haas & Ms. Romine

Grades: Students entering 1, 2, 3, 4, or 5

Calling all magical princesses, knights in shining armor, witches, and all the magical creatures in between! Do you love putting on plays, eating delicious snacks, and making fun crafts? If so, then this is the class for you! We will be reading several different fairy tales, acting out plays, making and eating snacks that go along with the story, and creating magical crafts! Join Ms. Romine and Ms. Haas in the enchanted forests, castles, and kingdoms and you will live happily ever after!

## Computers Don't Byte

THIS CLASS WILL BE HELD AT TRUMAN ELEMENTARY

Teachers: Ms. Ruder

Grades: Students entering 1, 2, 3, or 4

Do you like computers? Do you want to learn how to use your computer in fun and creative new ways? Join this class and you will learn new skills and do lots of amazing projects such as make a card, paint a picture, create digital images, create a digital story, make a slideshow, use a green screen, make a graph, design a building, create an animated picture using coding with Scratch, and even learn to write code for a robot, as well as play games and use the internet. We will also learn about internet safety. We will use Google apps and free programs from the internet to complete our projects. You will astound your parents with the truly cool stuff you will be able to do when you finish this class.

## Young Engineers

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Mr. Crum

Grades: Students entering 4, 5, or 6

Students will learn how to develop plans, create projects, make observations, and test their designs. Students will use various household items to create different STEAM projects and test how well their design works. Students will make balloon-powered rockets and compete in a rocket relay race. Students will invent their very own bubble wand made from old coat hangers/pipe cleaners/zip ties and test different types of bubble solutions. Students will learn how to make floam from Styrofoam cups. Students will learn how to make a glittery bouncy ball from glue and test to see how high it bounces. How to make a solar-powered smores maker, and so much more!

## Kitchen Chemistry

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Dr. Light & Ms. Armstrong

Grades: Students entering 4, 5, or 6

Cooking is a life skill that should be started at a young age. As our young chefs learn basic preparation and cooking skills, they gain confidence and independence, learn and practice basic math and science, expand their palates, build creativity, and have FUN!

## Camp Terranova

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teachers: Ms. Armstrong, Mr. Terranova, Mr. Nixon & Ms. Myers

Grades: Students entering 4, 5, 6, 7, or 8

Come have a blast with us this summer!!!! We'll play lots of DODGEBALL; like poison ball, fireball, magic ball, civil war, and much more. You'll play lots of other games like basketball, kickball, Monster Ball, Capture the Flag, Flicker Football, Speed Ball and soccer. You'll learn lots of math games with and without cards. You'll play Knock-Out, Speed, James Gond, Racko, Uno, Trash, and more. Finally, challenge your mind with Breakout EDU. You will play games with your teammates to solve a series of challenging puzzles in order to open the LOCKED BOX! These games will also be played virtually on Chromebook

# 2024 Kindergarten - 8th Grade Enrichment Course Offerings (continued)

## Summer Fun in Music III

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teachers: Dr. Murray

Grade: Students entering 4, 5, 6, 7, or 8

Do you like the music from Hamilton? Come sing with us! Do you like to play drums? Play games? Would you like to perform for your friends? Sign up for Summer Fun in Music (III).

## Sweet Summer Social

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teachers: Ms. Hackler & Ms. Nelson

Grade: Students entering 4, 5, or 6

It's always easy peasy lemon squeezy in the sweet sizzling summer school class (say that 3 times fast) Students will refresh their social skills, engage in group activities and games, that support healthy peer relationships through crafts, stories, and a lemonade and coffee stand. Students with strong social emotional skills are better equipped to manage daily challenges, build positive friendships, and make informed decisions. Sweet summer social will help students learn skills to thrive in school and in life. Come squeeze the day with us!

## Lights, Camera, Creativity: Adventures in Video Production and Digital Art

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Ms. Wille

Grades: Students entering 4, 5, 6, 7, or 8

In this dynamic summer school class, students will explore the creative realms of visual storytelling, digital imagery, and multimedia production. Collaboration and creativity will be at the heart of this class, as students work together to brainstorm ideas, problem solve challenges, and produce their own original video projects and digital artworks. Join us for a summer of imagination, innovation, and artistic expression!

## Intro to Hispanic Culture

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Ms. Briggeman

Grades: Students entering 4, 5, 6, 7, or 8

This enhancement course will engage students by introducing them to the Hispanic culture. Students will be given the opportunity to prepare and make quesadillas, nachos, tacos, and /or burritos. Students will be educated in the different animals in the rainforest in Central America. Students will have the opportunity to create piñatas, Alfombras, weavings, Friendship bracelets (pulseras) and much more. Fiesta with us this summer!

## Camp Discovery

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH\*

Teacher: Various RTI Instructors

Grades: Students entering 5, 6, 7, or 8

This four week camp will take you through some of the interesting choices available to you through Career and Technical Education (CTE)! Students will be learning about Automotive Technology, as well as building a pinewood derby car to race. Explore the world of Robotics with hands-on activities where you will actually build your own robot! Get your creative juices flowing in the Design Academy where you will learn how to use Adobe Illustrator and Photoshop, screenprinting a t-shirt to take home and learn about the sublimation process to design and create your choice of a lanyard, mouse pad or coffee mug. Students leave Camp Discovery with a completed project and a great first experience with future CTE opportunities. (\*Note: this class will be taught at Rolla Technical Institute. Transportation will be provided daily from RJH to RTI for all students.)

## The Truman Show

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teachers: Ms. Ingram

Grade: Students entering 6, 7, or 8

Come learn all about the Missouri Truman Book awards for 2024-25. We will be reading and working with these nominees in this course. Excited to go to the Literature Festival? After taking this course you will be one of the first to qualify to go. We will be doing various activities with these books, including, book trailers, creating bookmarks, writing reviews, creating new covers, author study, group discussion and much more. Join us for a fun time with the Truman nominees.

## Page Turners

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Ms. Turner

Grade: Students entering 6, 7, or 8

Love a good story? Who doesn't? Level up your skills this summer while binging on your favorite books. We'll find sunny spots to read and throw in some games. This course will grow your vocabulary and your future book club!

## 2023 Kindergarten - 8th Grade Enrichment Course Offerings (continued)

### **Team Sports & Leisure Activities**

THIS CLASS WILL BE HELD AT ROLLA JUNIOR HIGH

Teacher: Mr. Swearingen

Grade: Students entering 6, 7, or 8

Team Sports will be a summer school PE class that includes a variety of activities. These activities might include: flicker football, long-base, kickball, wiffle ball, ultimate soccer, and other Physical Education type games
