Also, **ONLY WATER BOTTLES are allowed in class, please throw away or keep all other drinks in your backpacks! There are new filling stations throughout the building now available for use.**

Want to help make our yearbook great? Upload pictures of you and your friends by using the QR code found on posters in the cafeteria. This year, we have lots of space for pictures of you and your friends. The pics do not need to be taken at school, but the pictures do need to be school appropriate

Scan the QR code and upload your pictures, appropriate for school, of course!
We want pictures of you, your friends, school events, whatever.
Help us make the yearbook something special!

On Wednesday, January 20th, we will be taking club pictures in the 1st-3rd hours. Your club will be called down to the front lobby for a photo that will appear in our yearbook. Don't forget to wear your mask and club tee shirt (if you have them).
